GRIEVE - RESTORE - ARISE - COMMEMORATE - EDUCATE

May 5, 2010

Dear Business Owner:

At Missing GRACE Foundation, we aim to be a refuge, a sanctuary, an emotional home to thousands of families who are grieving the loss of their babies. It is our mission to provide resources and support for families who are grieving, following pregnancy loss, infant loss, infertility or adoption challenges. Today, Missing GRACE Foundation has an incredible opportunity to also create a physical home, a place to offer sanctuary and refuge for the broken and the lost, and for all those who love and support them. Missing GRACE needs the help of your company to make our new space a home.

For years, Missing GRACE Foundation has operated out of residences, church halls, and a post office box. Now, however, a gracious donor has come forward with a space, a home, for Missing GRACE. This will enable us to expand our services, to become more visible in the community, and to serve even more of the hurting families in need of comfort, support, and assistance. If you are interested, the new Missing GRACE Foundation headquarters is 251 Eighth Street in Elk River, just off Highway 169, near McDonald's. I would be happy to show you the space and share more about my dreams for all we can do there. But we simply cannot do it without your help.

Please review the enclosed list of "needs" and consider donating goods, services, or funds to make a reality of the new Missing GRACE Foundation headquarters. We are in need of everything from building supplies such as lumber, paint and carpeting, to furniture and decorating accessories. At Missing GRACE, we so appreciate your generosity and your expertise, and we will work tirelessly to use your donations to create a space that helps families and changes lives.

Missing GRACE Foundation is a 501 (c) (3) nonprofit public charity. We desire to acknowledge your gifts in ways that are beneficial, lasting and meaningful. In exchange for your donations, Missing GRACE would be pleased to acknowledge your company in a highly visible way at our center, on our website, and through our printed promotional materials. We look forward to working with you to further the mission of Missing GRACE, and to promote the good work that your company does in the community.

Thank you, in advance, for your generosity and your support. You may contact me at any time, at 763-497-0709 or candy@missinggrace.org, with questions about the Missing GRACE Foundation headquarters and our long-term goals for the organization, the space, and the people we serve.

With Grace,

Candy McVicar
